ESTATE OF FERDINAND E. MARCOS
through its representatives IMELDA
MARCOS and FERDINAND E.
MARCOS, JR.

Defendant.

PETITION

The undersigned victims and claimants who are all members of the Mindanao Martial Law Victims Association (MMLVA), unto this Honorable Court of the District of Honolulu, Hawaii, U.S.A., most respectfully say that:

1. We file this PETITION as members of the Mindanao Martial Law Victims Association who are supposed to benefit from the award to be given by the U. S. Supreme Court in the Arelma case and by way of settlement or other awards in the Colorado and Texas cases, as well as our claim in the pending Singapore litigation initiated by our Lead Counsel Robert Swift of Pennsylvania.

- 2 -

2. As the District Court Judge stationed in Honolulu, Hawaii, we are sure that you (Judge Manuel Real) are aware of the status of these cases. We are also sure that Atty. Robert Swift is more familiar, not only with the status of these cases, but on the pending negotiations in the litigations.

3. The reasons for writing this Petition to your office is to inform you directly that these cases have been pending now for more than 21 years and yet we do not seem to see any "ray of light at the end of the tunnel", so to speak. From what we have read in local newspapers and the TV coverages, particularly the oral argument of our own lawyer, Atty. Swift, and the lawyers of the other parties in the United States Supreme Court dealing on the Arelma case, we strongly believe that Atty. Swift is doing his best to give us some hope that we can win the Arelma case. But we are at the DARK as to whether we will really prevail. The newspaper reports are very DISCOURAGING.

4. We have been informed that there is a chance to effect a settlement in the recently won Singapore case wherein we are claiming the funds deposited in a bank in Singapore. In the cases of Colorado and Texas, we know that the children and cronies of the deceased Jose Y. Campos have offered at least US\$10.0 million to end the cases very soon. This is an appeal that our Lead Counsel, Atty. Robert Swift, should be persuaded or instructed to effect a well-meaning and FAST settlement with the Philippine government and the Camposes in settling out of court these cases.

With the offer of US\$10.0 million in the Colorado and Texas litigations, Atty. Swift should settle IMMEDIATELY the said cases if that is feasible at this time. Again, we appeal to you, Mr. Judge Real and Atty. Swift in the name of JUSTICE and for the sake of our down-trodden victims of Philippine martial law.

Our reasons are the following:

1. THERE IS A RAGING RICE CRISIS IN THE WORLD BUT MORE PARTICULARLY IN THE PHILIPPINES. The National Food Authority (NFA) in the Philippines is planning to aggravate our situation not only because of the pending RICE CRISIS. The prices of rice, which is the staple food in the Philippines, is doomed to go HIGHER. POOR PEOPLE IN METRO MANILA, MORE PARTICULARLY IN MINDANAO, DO NOT HAVE ANY FOOD TO EAT. Most have died and some more keep on dying for lack of even the necessities of prime commodities like rice, sugar, milk, vegetables and other basic food to satisfy their hungry stomachs. WE WILL RATHER GET WHATEVER MEAGER BENEFITS WE CAN GET

NOW, OR IN THE NEXT FEW WEEKS THAN BE GIVEN DOUBLE IN A YEAR OR TWO. IF OUR MONEY WILL TAKE LONGER TO COME, WE SHALL ALL BE DEAD BY THAT TIME. We can no longer wait if the intention is to give more to the poor victims particularly in Mindanao (please see enclosures coming from basic newspaper reports of the Philippine Daily Inquirer, Philippine Star and the Manila Standard Today).

2. The political turmoil in the administration of President Gloria Macapagal-Arroyo has contributed enormously in putting the people to the brink of poverty, while a few officials in the Philippine government, which has been tagged as number one corrupt country in the whole world, profit from the corruption in the Philippine government. As put in by one Senator, "hunger knows no laws, no reasons". Violence has erupted in a number of poor countries including in Mindanao, Philippines, where the prime commodities continuously rise and people are lining up under the scorching sun (please see attached news clippings) only to be able to buy cheap rice being distributed by Philippine government.

3. PEOPLE ARE MOSTLY UNEMPLOYED. This is due to the fact that the Philippine economy has NOT improved the lives of the poor people, particularly in Mindanao where people hardly have two (2) meals a day. The lack of employment of most Filipinos and the ever-increasing prices of prime commodities, particularly the "pandesal", the basic favorite breakfast of the Filipinos which has now gone 25% higher, can no longer be swallowed by our countrymen. UNLESS THIS PROBLEM IS ADDRESSED SOON, VIOLENCE IN MINDANAO, and even in Luzon and the Visayas will escalate.

4. We belong to the group of Mindanaoans who are peace-loving and non-violent. Please, Hon. Judge Real and Atty. Swift, we beg you not to tax our patience. We are appealing to your sense of JUSTICE. Our people particularly the victims of human rights violations and those who suffered during the time of the late dictator Ferdinand Marcos have reached their peak. Please do not disappoint us.

5. The Filipinos, mostly the poor victims in Mindanao, are suffering not only because of the change of temperature that resulted in droughts in the Philippines, but also root crops, which can be good substitute for rice, are hardly harvested because of lack of support from the Philippine government and due to the GLOBAL WARMING which is prevalent throughout the world.

- 4 -

6. There are more reasons for us to urge YOU and ATTY. SWIFT to accept whatever settlement you can make in these cases. Since there is already a standing offer from the Camposes in the tune of US\$10.0 million, we strongly recommend a settlement of the said cases.

WHEREFORE, it is humbly and respectfully prayed that a settlement, particularly in the Singapore case and the Texas-Colorado litigations, be effected VERY VERY SOON in the sum of at least US\$10.0 million in the latter case, in answer to our humble plea for JUSTICE among the victims and claimants in the mentioned Marcos cases.

We pray for other just and equitable remedies which we leave up to you.

Very truly yours,

MINDANAO MARTIAL LAW VICTIMS ASSOCIATION
